

Job Opportunity

Wastewater Treatment Plant Operator (Full-time/Permanent)

The City of Summerside has a challenging opportunity for a responsible individual for the position of Wastewater Treatment Plant Operator. Regular work hours are Monday to Friday, 40 hours/week (day shift) with overtime when required.

Duties will include:

- Performing laboratory tests such as PH, temperature, TSS and C.O.D.
- Maintaining accurate and orderly records
- Troubleshooting process issues
- Performing maintenance of equipment

Required Qualifications and Competencies:

- **Must have a minimum of provincial Wastewater Certification Level 1;**
- Must know the proper operation of a wastewater treatment plant;
- Must be capable of performing a wide variety of tasks with minimum supervision and must have a valid drivers' license;
- Be of good character, in sound physical condition and mentally alert.
- Bilingual skills would be considered an asset.

The City of Summerside offers a superior work environment along with an attractive benefits package, including a defined benefits pension plan, comprehensive medical/dental coverage, and 3 weeks of vacation to start.

Applicants are invited to submit a confidential cover letter & resume via email with "Wastewater Treatment Plant Operator" in the subject line to: jobs@summerside.ca
Please include proof of Wastewater Certification.

Salary Range: \$31.39 - \$37.77 per hour (40 hours per week)

Closing Date: November 13, 2024, by 1:00pm.

We would like to thank all applicants for their interest; however, only those who are selected for an interview will be contacted.
