

Make working for  
The City work for you.

## Equipment Operator High Pressure WWC Operations Maintenance

If you are committed to public service, enjoy collaborating with others, share our values and have a desire to learn and grow, join [The City of Calgary](#). City employees deliver the services, run the programs and operate the facilities which make a difference in our community. We support work-life balance, promote physical and psychological safety, and offer competitive wages, pensions, and [benefits](#). Together we make Calgary a great place to make a living, a great place to make a life.

The City is committed to fostering a respectful, inclusive and equitable workplace which is representative of the community we serve. We welcome those who have demonstrated a commitment to upholding the values of equity, diversity, inclusion, anti-racism and reconciliation. Applications are encouraged from members of groups that are historically disadvantaged and underrepresented. Accommodations are available during the hiring process, upon request.

As the Equipment Operator High Pressure WWC Operations Maintenance, you are part of the Wastewater Collection (WWC) team and are responsible to clean sanitary and wastewater assets and structures to ensure that wastewater flow without obstruction. Primary duties include:

- Inspect job site to identify obstruction and determine how best to clear it.
- Clean sanitary mains, test manholes, sumps, etc. with occasional work on the wastewater system including mains, catch basins and leads using high pressure equipment (e.g. power flusher, vacuum truck, vactor unit, and combination unit).
- Operate various tools and nozzles including root and calcium cutters to clear debris.
- Perform other duties such as pulling cable for cleaning machines, maintaining the unit, assisting video and repair crews, as well as the Fire Department in the cleaning up and disposal of hazardous materials / chemical spills.
- Complete daily report forms.

### Qualifications

- Less than high school and at least 1 year of water and/or wastewater experience.
- A valid Class 3 Driver's License (or provincial equivalent) with an Air Brake (Q) Endorsement and the ability to safely operate large vehicles and equipment is required with no more than 6 demerits, and no current charges or suspensions pending.
- High school diploma is an asset.
- The following are essential skills for success in this position:
  - Ability to read and understand pertinent operational procedures and manuals, to understand oral and written instructions, to complete forms.
  - Strong interpersonal skills to deal effectively with public/customers.
  - Ability and willingness to use software and desktop or remote devices.
  - Able to adapt to a fast-changing environment.

### Pre-employment Requirements

- A security clearance will be conducted.
- Must obtain a City of Calgary [operator's permit](#).
- Successful applicants must provide proof of qualifications.

**Working conditions:** This position involves physically demanding work performed outdoors year-round and may involve working near traffic and heavy equipment, confined spaces and exposure to sewage.

**Note:** This posting may be used to fill similar positions in the work unit.

**Pre employment Drug Test:** An offer of employment for this position will be conditional on an applicant passing a [pre-employment drug test](#). This test assesses for use of drugs including cannabis. Failure to pass a pre-employment drug test may prevent an applicant from being hired into any safety sensitive position for a period of up to twelve months.
