

Job Opportunity

Wastewater Treatment Plant Supervisor

The City of Summerside is seeking a highly motivated individual for the position of Wastewater Treatment Plant Supervisor. This is a responsible position that will supervise and direct the work of staff that perform maintenance, monitoring, repair, and operation of a tertiary water treatment plant.

To be considered for this challenging opportunity candidates must have a combination of education and experience that supply the required abilities and knowledge of machinery and equipment used for the plant operation, the methods and procedures of a wastewater treatment plant, and understanding of provincial regulations.

The ideal candidate must be eligible for a Level 4 Wastewater Treatment Certification from the Province of Prince Edward Island and have a minimum of 1 to 3 years of supervisory experience with demonstrated strong leadership ability.

The ideal candidate must possess:

- The ability to effectively manage multiple priorities.
- Strong communication and interpersonal skills.
- Ability to determine and decide upon procedures to be implemented.
- Maintain and uphold standards.
- Ability to resolve problems.
- Possess the ability to comprehend, interpret, and apply regulations, procedures, and related information.
- Applicants must have a good working knowledge of Microsoft Office Suite and must hold a valid driver's license with a good driving record.

The City of Summerside offers a superior work environment along with an attractive benefits package including pension plan and medical/dental coverage. The salary range is \$80,950 - \$86,833.

Applicants are invited to email a confidential resume with references by Friday, June 23 at 1pm. Applications to be clearly marked "Wastewater Treatment Plant Supervisor" and addressed to: brian@summerside.ca

Only those applicants receiving interviews will be contacted.
