Funding will be directed as follows:

- 1) Expenses related to the adoption of a formal standard and advocacy to make that an enforceable regulation. This may include, but is not inclusive of:
 - research and testing to support/verify a proposed standard
 - fees from standards organizations
 - legal fees for review and advice
 - travel for attending meetings and advocacy

 - 2) Education and Outreach programs to promote the adoption and endorsement of the standard and the related IWSFG logo
-

Administration of the Fund:

CWWA, as a nationally registered and audited not-for-profit corporation, will provide the financial administration for the collection of the funds, the issuance of invoices as required, and the provision of receipts.

All funds received will be documented by the CWWA and held as restricted funds to be used only for the purposes of this project as outlined in this request. Use of these funds will be directed by the CWWA Flushables Committee, currently chaired by Jennifer Leno (also MESUG Chair), and overseen by the Executive Director of CWWA, currently Robert Haller. *(The Terms of Reference for the CWWA Flushables Committee are attached as Appendix E)*
